# Nee Venake Lyrics

Nee venake nee venake
Adugulu jataga saagaye
Kaadanake kaadanake
Nee kaatuka kanule laagaye

Undipove naalona
Vidichipoke porapaatuna
Neethone anuvanuvuna
Nindene aalochana

Thirigi choodave
Neekai vechi unna

Madhuram nee choope
Madhuram nee navve
Athi madhuranna nuvve
Madhuramule

Kadilayi madilo kadilayi
Naa aashalu anni neetho nadichayi
Ara nimisham munde kalisaavu
Aayuvulaa nuvve maaraavu

Arachhetike aa neelaakaasham
Andi tattunde
Arakoragaa choose aa choopulake
Praanam murisinde

Edo avuthunde
Antha nee valle

Madhuram nee choope
Madhuram nee navve
Athi madhuranna nuvve
Madhuramule

Nuvvu nenu manam ayye
Perigi kodigemu karigi
Okaru thode unnaava?

Nuvvu kalleduta unte oka teeru
Nuvvu kanabadakapothe kangaaru

Ninnu choosina aa nimishaana
Naa puttuka modalayinde
Ninnu maravada mantoo jarigithe
Adi naa maranamule

Naalo nene nuvvai unnaavule
