Bharatlyrics.com
Naa chitti epudu naadhe
Odhigi pove naa thalli
Bujamu meedhe aadu

Naa amma neevele
Nee bomma nenele
Rivvantu pai paike
Raa egiri podham
Edhaina arey emaina
Nenuntaa nee thodu
Ne podhugukonaa raa

Chinni thamara thanadhile
Manchi maatalu thanavile
Navvu mootalu thanavile
Laali paatalu thanavi kaadhaa

Kadhili vasthe bangaram
Manasu gayam maayam
Naa pranam chinnari
Naa sarvam ponnari
Nee ashe cheppamma
Ne vethiki thestha

Nee paadham
Padi naa gunde
Poodhote ayyindhe
Naa oosooru neeve gaa

Chookaletti muggu pedithe
Bhumi meedha
Velise chithranive
Ninnu chusthu unte
Naaku aayuvemo perige

Navvithe kalamaina
Aagipoyi vidichi pettadhule
Evarikevaru kapalaano
Maripoye kadaku

lyrics

Naathoti maattaade bujjaayine
Neeku nerugaka panchanaa
Enchakka nacchina mitai lanni
Thintaga o naa chinna

Prema jalapatham
Meedha dhookenu
Chinna sadilekaa
Thoota avthaavu

Neeve ammadiive gummadiive
Aayushshu noorellu
Kannullo unchestha
Unnanthaa dhaakanu

Naa amma neevele
Nee bomma nenele
Rivvantu pai paike
Raa egiri podham
Edhaina arey emaina
Nenuntaa nee thodu
Ne podhugukonaa raa
