

Koi na tumsa hai o mere saathiya
Neele neele ambar pe chand ka pahera
Hasta hua dekhu saajan tera chehra
Neele neele ambar pe chand ka pahera
Hasta hua dekhu saajan tera chehra
Koi na tumsa hai o mere saathiya
Neele neele ambar pe chand ka pahera
Hasta hua dekhu saajan tera chehra
Koi na tumsa hai o mere saathiya
Neele neele ambar pe chand ka pahera
Hasta hua dekhu saajan tera chehra

Teri surat lage har khushi ki tarah
Pyar tera lage zindagi ki tarah
Phool apni mohabbat ke khilte rahe
Har janam tumse hum yun hi milte rahe
Teri takdeer mein tu mukaddar mera

Main puje teri tu hai mandar mera
Main puje teri tu hai mandar mera
Koi na tumsa hai o mere saathiya
Neele neele ambar pe chand ka pahera
Hasta hua dekhu saajan tera chehra

Main teri pyaas hu tu meri pyaas hai
Dekh le na mera dil tere paas hai
Tu hai nagma mera tu hai meri gazal
Tu hai meri mohabbat ka taaj mahal
Maine sochi hai jo tu meri aash hai
Tu mere pyar ka ek itihaas hai
Tu mere pyar ka ek itihaas hai
Koi na tumsa hai o mere saathiya
Neele neele ambar pe chand ka pahera
Hasta hua dekhu saajan tera chehra
Neele neele ambar pe chand ka pahera
Hasta hua dekhu saajan tera chehra
Koi na tumsa hai o mere saathiya
Neele neele ambar pe chand ka pahera
Hasta hua dekhu saajan tera chehra.
