---

Neeli meghamanthata  
Okka taara ledata  
Kindakocha niliche  
Nee eduta

Konni ella kindata  
Jaari padda devatha  
Jaada telisinanduke  
Nee rabasa

Tira kallu terichi chustha  
Oh kalane  
Nuvvu eda choodu nuvve  
Nidhare poindhe

Neetho entha sepuna  
Chaalane lekunta  
No no veelu kaadhu ante  
Kaalamaaputanante

Prema ento emo baagundhe  
Gautam menon film-lona  
Ar paatalaaga kikke ekkindhe
