Tharalu molichayi nelake
Nuve vadhileti swasake
Gaalulu brathikayi chudave
Intha goppa andha gatheki emi ivane

Neeli neeli aakasam idda manukunna
Mabbulu ninne kammesthayani manesthoo unna

Ho vanavillulo undani rangu nuvule
Ye rangula cheeranu neeku neyale
Nalla mabbula merise kallu neevile
Aa kallaku katuka endhukettale

Chekilipai chukkaga dishte pedatharule
Neekaithe tanuwantha chukkanu pettale

Edo ivvali kanuka entho vethikanu aasaga
Edi nee saati radika antu vodanu poorthiga
Kanuke pranamantha thaali chesi neeku kattana

Neeli neeli aakasam idda manukunna
Nee hridayam mundhara aakasam chinnadi antunna

Oho amma chupulo volike jaali nuvule
Aa jaaliki maruga emi ivvale

Nee papanai pasi papanai emi ivvale

Dhaya kaligina devude manalanu kalipadule
Varamosige devudike nenem tirigivvale

Edo ivvali kanuka entho vethikanu aasaga

Edi nee saati radika antu vodanu poorthiga
Kanuke pranamantha thaali chesi neeku kattana

Neeli neeli aakasam idda manukunna
Mabbulu ninne kammesthayani manesthoo unna
