---

Neene dhoretha mele  
Bere kanasige  
Jaagaa ellide jeevave

Nannaa ella naale  
Ninna joteyale  
Bharatlyrics.com  
Ninge meesalu jeevave

Hidiyodu baaki nange eega  
Hucchu intha khushiyali  
Endendu neenu nannonu  
Emba jamba edeyali

Ninnella nimishadallu paalu nangirali

Neene dhoretha mele  
Bere kanasige  
Jaagaa ellide jeevave

Hrudayaa hrudayaa beretaagide  
Nammadonde haadu  
Galasi ulasi kattona baa  
Namma putta goodu

Novu nalivu enaadaroo  
Sama paalu kodu  
Sarasa virasa samavaagiye  
Irali bidu

Sihi muttu needabeku  
Neenu gantege nooroo  
Kshame neenu kela beku  
Tappu yaarade aadaroo

Joteyaagi ellu kaana beku  
Nam hesaru

Neene dhoretha mele  
Bere kanasige  
Jaagaa ellide jeevave

Nannaa ella naale  
Ninna joteyale  
Ninge meesalu jeevave.
