Manassin thamburuvil Shruthi cherumo

Nilaavu pole peytha nee
Nilantha novvu nalkiyo
Nikhoodamee idangalil
Niraasha nee athenthino

Pathiye ulpoovilay Aazhnnu poyi nee oral
Kaathu kaathu Raathri mullayay Virinja naal
Mizhiyil thiri thaazhthi nee
Sneha deepa swanthanam
Nokki nokki Verunangi raa kinavukal

Aa mizhiyile Then thulliyaavan
Raa kanavile Thoo minnalaavan

Thaniye nee yaathrayay
Thaazhthum man chiraathumay
Nerthu nerthu Noolu pol
Melinjora aashakal

Akaleya aakashavum Shokha mookha bhaavamay
Thornnu thornnu Ninne orthu Ninna kannukal

Nee maraviyay Theerunna yaamam
Njan thirayave Thookunnu shokham

Neeyillathe Nin nizhalillathe
Ee nenjin chirayil Mazha chaarumo
Neeyillathe Nin smrithiyillathe
Manassin thamburuvil
Shruthi cherumo

Nilaavu pole peytha nee
Nilantha novvu nalkiyo

Nikhoodamee idangalil
Niraasha nee athenthino.
