

Nenjorama Song Lyrics

Nenjorama nee enna seiyira
Minsarama enna thaakki pogura
Kannorama nee konjam paakura
Men sarala enna thottu pogura

Unnodu naan
Pesa pesa pesum neram odudhey
Nirkkaamal vegamaa un kangalaal
Innum nerungi pazhaga solli yenguthey

En nenjam adhigamaai
Aayiram minnalaai pesi pogiraai

Nenjorama nee enna seiyira
Minsarama enna thaakki pogura
Kannorama nee konjam paakura
Men sarala enna thottu pogura

Enna thottu pogura...
Enna thottu pogura...

Yaarayo paarpadhaal
Enna paarkaiyil vetkam kaatura
Jaadaye veesiye
Naanum pesayil kobam kaatura

Yennavo seigiraa nenjaiye koigira
Koodave ennayum kootti pogura
Koormaya paarthu than kooru podura

Un paarvaiyal enna katti podura
Unnodu dhaan kannu kootti pogura
Thodamale nee theeya mootura
Vidamale enna neeyum thedura

Ippothellam
Un kooda kooda sernthu poga aavalaa
En kaalgal yenguthey yen aanatho
Unthan perai ketkum neram thullalaa
En kangal thirumbuthey

Kooppidum dhoorathil
Vaazha thonudhey.
