---

Ye makka ye raasaa  
Ooroda uravoda nesaa  
Vaa makka maharaasaa  
Varalaara nee maathu mass ah

Ye makka ye raasaa  
Ooroda uravoda nesaa  
Vaa makka maharaasaa  
Varalaara nee maathu mass ah

Adai kozhi paravai dhaan da  
Aagaayam ariyaadhudaa  
Parundhoda modhum bodhu  
Thurumpaagum vaanam dhaan da

Aaraanju aaraanju paarenda  
Yedaanda ezhuthellaam needhaan da

Inamenna niramenna avanenna ivanenna  
Anaivarum samamena vazhi seiya purappadu  
Ulaguku uriyavan viyarvayai vedhachavan  
Iraivanai vidavum melayinnu sollikkodu

Inamenna niramenna avanenna ivanenna

Ezhu ezhuthidu viduthalaiye

Arasaanga mangune  
Adhigaara kangaane  
Edhir kelvi ketkaatti  
Ethiraava unakkae nee

Pala nooraanda ulla kovamada  
Thottu paarenda naa raavanan da  
Pala nooraanda ulla kovamada  
Thottu paarka sollu naa raavanan da

Hey thagudhium thiramaiyum

Arinjana njaaniyaa arakkanin inamena  
Uruttuna urutta nee purakkanidaa

Ye rendaana kattai viral villaagu nee  
Marupadi saathiram adhu idhu enbavan  
Thola urichu paraiya adidaa.
