

# Net Ah Thorandha Song Lyrics

---

Yeah yeah...  
Whoa whoa...

Nee illai tamizhan  
Nee oru kannadan  
Nee oru telungan  
Aiyyo aala vidra saamy

Naa oru alien  
And i'm just having fun  
Being a manidhan

Munthanethu thaan  
Mars-le irunthu vanthen

Kurangil irunthu vanthathaale  
Ellorum vandheri thaan  
Vandiyila eru ma  
Vinvelikku pogalam

Kurangil irunthu vanthathaale  
Ellorum vandheri thaan  
Vandiyila eru ma  
Vinvelikku pogalam

Ozone-la ottai vizhunthuruchi  
Pani paraigal ellam karanjidichi  
Thannikulla muzhuga porom machi  
Kaadelam theyil erinjirichi

Malaigal mannai sarinjirichi  
Ulagame azhiya pothu machi  
Idhula virus verai velangirichi  
Ellame kadanthu povom machi

So irukkura varaikkum aachi naama  
Ellam onna sernthu iruppom  
Namma anba vedhapom  
Manidham solli kodupom
