Ulagin mudhal kaadhal kadhai

Analagave vegum panipola modhum  
Mazhai kaala megam kanden  
Karai sera vendum kadal endru theiyum  
Unai thedi kandu konden

Pesum pothile kelaa oli  
Parvai aagumae deepavali  
Unnai pola yaarum illai  
En iravi

Netru varai netru varai  
Thaniththirunden yarum illai  
Indru mudhal thodangiyadhe  
Ulagin mudhal kadhal kathai
