---

Youngstarr pop boy  
Yeah yeah yeah

Kinni hi dafa tu dil todia ve  
Hanjuan de naal moohe ton modia  
Main kiti si wafa tu kiti bewafai  
Hive bewafaian karde nu sharm na aayi

Tukre tu kite mere dil de hazar ve  
Hazar vaari tar le wafa tere yaar ve  
Sohni na tu ik meri gair ve tu ho gia  
Ve gairan naal ral maithon side ve tu ho gia

Gall ih thik nahi uh sidhu jihdi kari ve  
Chali tera pyaar jatti ajj vi aa khari ve  
Chali tera pyaar jatti ajj vi aa khari ve

Pehlan te akkhi heer mera seega tu na  
Tere vangu jane khane utte aa main mari ve  
Chali tera pyaar jatti ajj vi aa khari ve  
Chali tera pyaar jatti ajj vi aa khari ve

Jhuthe tere hanju te jhuthe tere hase ve  
Hase tere edan jivein pani ch batase ve  
Shahd jihian gallan naal dil mera thagia ve  
Thagia tu aesa dil tere naal lagia

Kita kaisa toona ve  
Main teri ho ke rah gai ve rah gai  
Na koi sudh jatti jaman kacche rah gai ve  
Hauli hauli karke aukaat ji dikhai tu  
Sade honde akh jadon gairan naal lai tu

Time si kalena jadon sadi akh ladi ve  
Chali tera pyaar jatti ajj vi aa khari ve  
Chali tera pyaar jatti ajj vi aa khari ve

Pehlan te akkhi heer mera seega tu na  
Tere vangu jane khane utte aa main mari ve

Chali tera pyaar jatti ajj vi aa khari ve  
Chali tera pyaar jatti ajj vi aa khari ve

Tere jaisian di meharbani pyaar badnam ae  
Kissa badnami vala gali gali aam ae  
Janman de vaade ih gall tan fraud ae  
Fraud sare aashiq te jisman di daur ae

Karman vale ne jo akhir tak  
Nibde nibde vi uhi aa jo ik utte tikde

Chali tera pyaar jatti ajj vi aa khari ve
