I forget you never ever
Without you my life never ever
You are mine forever
You are mine forever

You you you my life
You you you my life
You you you my life

Forever you are my heartbeat

lyrics

You are mine forever
You are mine forever

Forever meet`s god mastan forever
Not your form of a man never ever
Forever meet`s god mastan forever
Not your form of a man never ever

You every one`s pride
You every one`s life for ever for ever
Never ever.
