

Munda unglā naal min'ey dooriya
Mohre rakh ke globe balliye
Tere chandre new zealand ne
Ditta kamle nu dobb balliye

Google te ja ke ohne route saare parh lye
Dooha desh'a vich paindey desh yaad kar lye
Hun boundli surat rehndi aa
Jehda att da c rohb balliye
Tere chandre new zealand ne
Ditta kamle nu dobb balliye

Hunda je punjabi vich lehnda 7-8 ni
Pattya na gaya angreji vich kakh ni
lelts banaya jisne , kehnda paije ohda bhog balliye

Tere chandre new zealand ne
Ditta kamle nu dobb balliye

Tere tak pauchn lyi soch da vichaar da
Udhne nu firreh la ke khambh shall'a maar da
Gal diggde da gitta mujhya
Aa gayi godhe takk soouj balliye
Tere chandre new zealand ne
Ditta kamle nu dobb balliye

Sandhu kuldeep di koi chaldi na pessh ni
Kalla pai baitha aa jahaza nall kaleish ni
Rahe udh deya de daleh maarda
Kothe charr har roz goriye

Ditta kamle nu dobb balliye.
