

Sajnave sohniyave
Ranjhnave sohniyave mahiyave
Mahiyave sohniyave ranjhnave

Ni main samajh gayi ni main samajh gayi
Is dardi ramajh main samajh gayi
Ni main samajh gayi ni main samajh gayi
Is dardi ramajh main samajh gayi
Na samjhi thi to ulajh gayi
Ab uljhan teri sulajh gayi
Ni tu samajh gayi
Ni main samajh gayi ni main samajh gayi
Is dardi ramajh main samajh gayi
Ni main samajh gaya ni main samajh gaya
Is galdi ramajh main samajh gaya
Ni main samajh gaya

Ranjhnave sohniyave mahiyave
Mahiyave sohniyave ranjhnave

Nasamajh mujhe batlaye na
ye kuchh bhi mujhe samjhaye na
Rang itna nachndake tabukh gaya
honthon se aankh mein teir gaya
Banke phir vo ghanghor ghata
zulfon mein vo phir ulajh gaya
Ainu pyaar da chaska ay
saain te ishq hi aidi liya sakve
Aite mathe taaj mohabbat
akkhaan vich nasha ibaadat ka
Darbar aide vich ki raanjhe te
mirese boliya pandein ne
Darbar aide vich ki raanjhe te
mirese boliya pandein ne
Aye husn de charne husn de
charne husn de charne pee jaanda
Oye husn de charne pee jaanda
Aye husn de charne husn de
charne husn de charne pee jaanda
Oye husn de charne pee jaanda
