

Main nivi te mera,
Main nivi te mera murshad ucha..
Te asaya ucheyan de sang layi
Sadke jawa ohna ucheyan de,
Jihna niviyen sang nibhayi.

Ni saiyan, ni saiyan saiyan,
Ni saiyan, ni saiyan
Ni saiyan, ni saiyan saiyan,
Ni saiyan, ni saiyan.

Ni saiyan main gayi gawachi,
Khol ghungat mukh nachi ni,
Main gayi gawachi..
Ni saiyan main gayi gawachi,
Khol ghungat mukh nachi ni,
Main gayi gawachi..

Jab se huyi hai ankhein chaar,
Har soorat mein dekhoon yaar,
Udgate mere hosh karaar,
Main pandi tu kul mukhtar,
Bin khanjar bin talvar,
Palte karde khoon hazaar..

Har saans kare ikraar,
Tujhse preet hai saachi ni,
Main gayi gawachi..

Ni saiyan main gayi gawachi,
Khol ghungat mukh nachi ni,
Main gayi gawa..

Kaabe kibale yaar disenda,
Vrindavan vi naach nachenda,
Chad masit minaare behnda,
Kisna di murli vich rehnda..

Kamli duniya samaj na painda,
Awai sab sansaar sadhenda,
Mera mann nimana kehnda,

Rang tere gayi rachi ni,
Ni main gayi gawachi..
