Puchh zara puchh zara  
Ke chaar din me bahaaro  
Kaa haal kya hoga  
Kya hoga kya hoga  
Ke chaar din me  
Rag par naaz na kar  
Kyo ki rag badal jata hai  
Ye vo mahamaan hai jo  
Aaj aata hai kal jata hai  
Ishq par naaz kare koi  
To kuchh baat bhi hai  
Husn kaa naaz hi kya  
Husn to dhal jata hai  
Bahare husn salamat

Khizaa se puchh zara  
Ke chaar din me ke  
Chaar din me ke chaar din me  
Bahaaro kaa haal kya  
Hoga ke chaar din me

Ham apne chehare se  
Parda utha to de lekin  
Ham apne chehare se  
Parda utha to de lekin  
Ham apne ham apne  
Chehare se parada  
Apne chehare se parada  
Apne chehare se parada  
Uthaa to de lekin  
Garib chaand garib chaand  
Chand chand garib chaand  
Sitaaro kaa haal kya hoga  
Muqabla hai to phir  
Der kya hai tir chala  
Muqabla hai to phir  
Der kya hai tir chala muqabla  
Hai muqabla hai muqabla hai  
Muqabla hai muqabla hai  
Muqabla hai to phir  
Der kya hai tir chala.
