Saayamivvananna savaale
Nunnagunna dooraale
Mandalinche teeraale

Nijam idhe kadaa
Kale videe padaa

Nakalu raathala nakalu raathala
Naligi pokumaa migili pokumaa
Asalu maatavai asaluve nuvai
Marala raayumaa marala raayumaa

Nee prakshaalana sweeyame
Ee lokaanike sevale
Kannaa idi marachipote manalevule

Nadi edaarilo nadiche daarilo
Chinuku raalenaa velugu vaanalaa
Nalupu veeduthu malupu koruthu
Oka prayaanam idi prayaanam

Telesi tappule tanavi tappule
Vidichi dikkule vethiki chikkule
Vadhili rekkale gathapu rekkale
Oka thapasside oka thapasside

Porabaatune saricheyaga
Anumodane inka daarira
Ninuka vadilesina
Abhimaaname daricherule
Ika cheekate veliveyaga
Mana maarupe tholi vekuve

Tharimeyara kari cheekate
Ayinaasare nuvu lokuve

Tharimeyara kari cheekate
Ayinaasare nuvu lokuve

Chirugaalike chera ledule
Chera cherina padipodule
Chirugaalike chera ledule
Chera cherina padipodule

Nijam idhe kada
Kale videe pada.
