

Be parda nazar aayee jo kal chand biviya  
Akbar jamin mein gairat konee se gad gaya  
Pucha jo maine aapka parda woh kya huva  
Kehane lagee ke akal par mardo ke pad gaya

Nikalo naa benakab  
Niklo naa benakab zamana kharab hai  
Niklo naa benakab zamana kharab hai  
Aur usape yeh shabab zamana kharab hai  
Niklo naa benakab zamana kharab hai

Sab kuchh hame khabar hai nasihat naa kijiye  
Sab kuchh hame khabar hai nasihat naa kijiye  
Sab kuchh hame khabar hai nasihat naa kijiye  
Sab kuchh hame khabar hai nasihat naa kijiye  
Kya honge ham kharab zamana kharab hai  
Kya honge ham kharab zamana kharab hai  
Aur usape yeh shabab zamana kharab hai  
Niklo naa benakab zamana kharab hai

Matalab chhupa huva hai yaha har sawal mein  
Matalab chhupa huva hai yaha har sawal mein  
Matalab chhupa huva hai yaha har sawal mein  
Matalab chhupa huva hai yaha har sawal mein  
Do sochkar jawab zamana kharab hai  
Do sochkar jawab zamana kharab hai  
Aur usape yeh shabab zamana kharab hai  
Niklo naa benakab zamana kharab hai

Rashid tum aa gaye ho naa aakhir fareb mein  
Kehate naa the janab zamana kharab hai  
Kehate naa the janab zamana kharab hai  
Aur usape yeh shabab zamana kharab hai  
Niklo naa benakab zamana kharab hai  
Aur usape yeh shabab zamana kharab hai  
Niklo naa benakab zamana kharab hai

Zamana kharab hai, zamana kharab hai  
Zamana kharab hai, zamana kharab hai.
