---

Ninnale ninnale  
Naa kande ninnale  
Kannale kannale  
Nee oliva ee kale

Ondaade naanage illi  
Naanade neenade ninnalli  
Odalaaladallide jeevada hoovu  
Odanaadi needide preethi kaavu  
Sihi raaga seri bhava theera serale

Ninnale ninnale  
Naa kande ninnale  
Kannale kannale  
Nee oliva ee kale

Innethake ee naachike sangaathi neenallave  
Ninnaseya pooraisuva maharaaja naanallave  
Olavaagi nee baaro oh kanmani  
Aagalu neenindu nannaa dhani  
Ninnaya novanu theerada nenapanu  
Mareyuva haage naa haadagale?
