Ninne ninne kanulalo nimpukunna

Hooooo...

Ninne ninne manasulo ompukunnaa

Aksharaalake andhananthalaa premalekhalenno

Chadhuvukunte nee mooga saigalo nene

Gunde lopale goodu kattinaa chilipi oosulenno

Telusukunte nee chethi sparshalo nene

Meghalaki nicchena vesthunnaa

Chooputho sannaga gucchesthunte

Rainbow ke rangulu poosthunnaa

Smilutho symphony vinipisthunte

Yeyyyy...

Ninne ninne kanulalo nimpukunna

Nidhuratho yem pani edhurugaa nuvvunte

Swaasatho asalem pani nee dhyasalo unte....

Na kallallo oka adugu na gundello oka adugu

Andhanga pettesave yem kaavalo adugu
