

Kuch nahin khayaal hai
Dono taraf kaun hai
Mein bhi aur tum bhi nahin
Jaltey howey diye ko aansoo chahiye
Iradon ko bhi zubaan chahiye
Khwab faasilay nahin
Doorian simatti nahin

Raastey hongay agar
Yeh faasley kam na hoon
Apna aks bhi nahin
Aur yahi hai zindagi

Kuch nahin khayaal hai
Dono taraf kaun hai

Jism bhi aur jaan bhi nahin
Ragon kay andheron ko insaaf chahiye
Ranjish e khon ko bhi
Makaan chahiye

Khwab faasilay nahin
Doorian simatti nahin
Raastey hongay agar
Yeh faasilay kam na hoon
Apna aks bhi nahin
Aur yahi hai zindagi.
