---

Main suneya tere baare kinniyan nara ne dil haare  
Tu karde chare paase chare bigde saare  
Tere naal bandook'an wale  
Kha meri sooh no baby no kha meri sooh  
No baby no no baby no no baby no

No veni no veni no veni bande naal oh ne ni  
Karde na show ne  
Do ne ni do ne ni do ne ni gallan bas do ne ni  
Aah yaata oh ne

Sannu na tu rok rok ni dayie banda thok thok ni  
Figure teri nigar mera triger aa unlock lock ni  
Na puch na sadde baare fokke maare na lalkare  
Billo chaldi saddi marzi jedi marzi koi sarkare

Darrda ni muhre koi bolda main ankhan naal  
Rolda ni lakhan de main hikk te dive baale  
Kha meri sooh no baby no kha meri sooh  
No baby no no baby no

Yaddi yatt yamdutt utto nature de changgi  
Dana pittal da mangdi machine modde tanggi  
Mathan lohe naal maar dayie yarane yatt de  
Kite taleban pass ya nishane yatt de

Matt moto maxici karobar aa kaleshi  
Sher jileyen ch shoni 7 jile aa ch peshi

Pinde chohbar'an de desi leeda jachda videshi  
Matt moto maxici kamkar aa kaleshi

Phele bande jattan ne paadte rakane  
Laake saan te brate'an chatte paadte rakane  
Vairi chamber'an te chaad chaad raad te rakane  
4 pittal purana pitte paadte rakane

Thodde tel saam bolde katla de shareyam bolde  
Har ikk roole masle de vich kahto thodde naam bolde

Ha ni ha ni ha bolde kaand kitte aa tan bolde  
Bolde sadde parche charche asi tan kitte ha bolde

Piche layi rakhda mamme vadde aa ni tamme jamme  
Karda saare puthe kamm ae karne layi chahida damm ae
