

Badan pe no brands  
Aaya toh paise ko parchao pehle, No thanks  
Koi kiske meherbani nai karra hai, Boht fans  
Banana chahta hu mein mohabbat se  
Aada nahi lena warna rada seedha antophill se

Baatein sun lekin kam bola kam kar  
Tera mera mat kia kar hum bola kar  
Bum bola kar  
Mere gaane fat'te zorse  
Pyaar ho gaya hai mere logo ke shor se  
Gaur se, sunti hai public meri baatcheet  
Khush rehta hu farak nahi mujhe har jeet  
Maar peet, karte the bachpan mei  
Jawani khatam nahi hoga dikhega pachpan mein

Sun, haan, haan...  
Abhi se jee raha hu zindagi ko uss prakar  
Jis akaar ka banana chahta hoon  
Tufaan laane se pehle bhookump lana chahta hu  
Chodh, pani ka pump lana chahta hu  
Uske gharpe jiske gharpe pani nai  
Aaj bhi boht logo ke gharpe peene ko pani nai

Kahani nahi ye sachai hai  
Bolneko boht sara sachai, sab chaiye  
Logo ko fokat mei hi sab chaiye hai  
Ek dusre ki nakal utrate ye parchai hai  
Bhala karega toh tere liye Acha hi hai  
Sabko lagta hai apna chawal pak gaya  
Abe Dhakkan hatake dekh kacha hi hai

Soch ko badal toh soch bhi badlega  
Agar gande dost sath mei toh dost bhi badlega  
Agar sahi khwab sath mei tu leke chalega  
Toh tu dete chalega  
sabka pet bhi jalega  
Toh sambhalke!  
Duniya mei matlab nai rishta palke  
Koi kiska nai yaha pe  
Sab shikar maya jala ke  
Haddi bina khalke

Talpi bharele maal ke  
Koi chala jayega dal ke  
Lage pade hai baal ke  
12 mahine saalke  
Sambhalke!
