

No Mercy Song Lyrics

No no no mercy
No no no mercy
No no no mercy
No no no mercy

Haaye teri bhabhi leede dhoh rahi hai
Aur bhai chhore dhoh raha hai
Re shor ghana ho raha hai
Woh mor bana chhoda hai

Bhabhi lage nora hai re
Bhai ka yo tora hai
Yo forearm chauda hai
Na haath kabhi joda hai

Haath'an mein yo dora baandhe lalsa
Gael mere baman bhi aur gael mere khalsa
Gael mere delhi se mohali aur samalkha
Aade koi nok bhi na chhede mere baal ka re maan ja

Baalkan ki buddhi hai kharab teri guddi denge naap
Denge gode neeche daab rave khush
Aade mere aadi rao sahab
Kaida system pe dabav kaade pant'an mein peshab

Beta shh faltu na boliye
Pital ki yo goli kabhi laal mile jersey
Jaa ke thane mein de arzi
Na jab tak meri marzi milegi ko na mercy

No no no mercy
No no no mercy
No no no mercy
No no no mercy

No mercy hum khaate nahi hai rehem
Inke show aadhe khali
Inke aate nahi hain fan
Ghumu main akela mere saath mein nahi hai gang

Sirf khaata nahi hoon beta
Main to jaata bhi hoon ham

Lagoon sainik apne barrack mein hi tikoon main
Ye kare saare panic pehen ke ainak bhi na dikhoon main
Grind hai dainik inke kehne pe na seekhoon main
Tu bana titanic main atlantic game mein deep hoon main

Khatam saare jan saare yahan ab nakarein jang
Dhua udaate aa rahe hum delhi mein dikhte tare kam
Manesar mein bhi maren dam we the best jaise khaled hum
Salaam walaikum swagatam shuru karein karyakram

Inki aankhon se na aankhein millein
Jab ye aake millein tujhe aake pelein
Acapella aake lele

Dhamaake se yahan naake hilein
Mathe pe tu tanke hile
Kr\$na kabhi kisi ke na aage gire

Dekhe kaarnamae hum na kabhi haar mane
Peeche char baatein aage aake aath bahane
Mere gaane lagaaye itne rappers ko kaam pe
Lagta apne naam se chala raha main yahan kaarkhaane

No no no mercy
No no no mercy
No no no mercy
No no no mercy

Dehradun ka mera khoon
Deep kalsi ke sangeet pe

Kyun khaaye ab rehem? We linkin pay the respect
Aaj bhi khula saand par chase nahi karta red flags
Jaise main coolie i get bag and i get cash
Kaafi rahata high airplane mode no jetlag

These tracks can fu*k these kids bina pedophile bane
This that bars-bars this when karma genocide kare

Jab bhi on the mic chadhe bole "king of rhyme he's so fine
Bharatlyrics.com
I smoke fine peace of mind mile tabhi fees on time chahiye

Aadhe "he's so kind" bole aadhe shots le tracks pe
Calls pe "please don't mind" bole
It's not fine when it's simple
Mujhe bees aur rhyme chahiye
Ji street pe live mil bhai
Kise beef online chahiye?

Naam dhruv nahi par chamkun tara north se
Ab ghoomta akela ye kaampte inhe khauf hai
Kamata bhi hoon shows pe aur khota nahi hoon hosh
Gandhi ko jaane nahi deta jaise last name "godse"

Fans khunkhar tera sar fadne ka chance maang rahe hain
Mujhse high hopes rakhte jaise bhang maang rahe hain
They be sleeping on me like a fu*king bunk bed
Ye mere tracks pe so rahe hain ye salman maang rahe hain
I got

No no no mercy
No no no mercy
No no no mercy
No no no mercy

No no no mercy
No no no mercy
No no no mercy
No no no mercy
