

No No Lyrics

Morning-nal kanda muddu red du suryananthe
Mathaadsu kotte heart-ge love ina chinthe
Voice keli feel aade naa top of the world-nanthe
Nin smile-ae nange roja hoovina santhe

Iddu pakka love ena... noo noo
Innu avlu nangenaa... don't know
Innu mundhe hingenaaa oh noo

Hallakke bidda maga

Avlgu lover irboda no no
Avr appa psych madboda eyyy
Brother antha kariboda yakale
I'm already death-ed chinna

First time-u kandaaga ninna
Weak aaytu nan heart-u chinna
Hind-hinde follow maadi
Yel hejjenu nadede bitte

Maataado barbie doll-e
Nan feelings onchuru kele
Ravi maaman yalla songs-u
Ninge haadtine

O tuntiy e, gold bombey e
Prema lokada paarijaatav e
Naan galli meshtru, nin mane devru
Preethsodhe tappenal e

Iddu pakka love na... noo noo
Innu avlu nangenaa... don't know
Innu mundhe hingenaa... oh noo
Hallakke bidda maga

Avlgu lover irboda no no
Avr appa psych madboda eyyy
Brother antha kariboda yakale

I'm already death-ed chinna

Morning-nal kanda muddu red-du suryananthe
Matadsi kotte heart ge love-na chinte
Voice keli feel aade naa top of the world-nanthe
Nin smile-ae nange roja hoovina santhe.
