

Haa haa haa haa no problem
No problem no problem
No problem no problem
All the people of india
No problem rude boy
Greeting in respect

Namaste sat siri akaal
Salaam vaalekum to an
Vaalekum to all tamil masses
Live and direct at madras
No chat pichhe ho ke dekho
Everybody come together on center
Come from madras to england

Appreciation balle balle good bye
When you do it as in indian
No problem no problem
No problem no problem
Mujhe saari pahana do
No problem no problem
Mujhe ghodi me bithal do
No problem no problem
Mai shave na banaun to
No problem no problem
Tujhe sine se lagaun to
No problem no problem

Ek zamana aisa tha
Goro ki huqumat chalati thi
Ab tum pe huqumat
Chalayege no problem
Ham pahale bhi tumase aage the
Aur aaj bhi tumase aage hai
Ham aur bhi aage jayege
