

Nodu Shiva Song Lyrics

Yaako jeevna speedagene mundak hogtilla
Idu puncture ellagide anta gottu aagtilla
Chaddi hakand jotheg goli adiddorella
Kaili kaali peeli status hakond merithavralla

Aase pattangella enu neditilla
Life'u matra bathroom inda ache bartilla
Aadang agli ella care madalla
Ellaru gelle beku life alli ondsala

Nodu nodu nodu shiva..
Naaven out of focus agideeva?!
Nodu nodu nodu shiva..
Naaven out of focus agideeva?!

Shiva neevu ibbibranna jodi maadkondri
Nam hane barahak ondu illi beeltha ilvalri?
Friends jothe sera beda anta helthaare
Paapa avr manelu avrgu hinge baithaare
Nam amma aunty maganna nodi kali anthaare
Ayyo mane bittu odogashtu torture kodtaare

Nodu nodu nodu shiva..
Naaven out of focus agideeva?!
Nodu nodu nodu shiva..
Naaven out of focus agideeva?!

Ishta patta hudugi nanna bittu hodalu
Eshte kaadi bedi karudrunu valle andalu
Shiva nangond olle hudugi set'u maadappa
Avlna gange tara taleli ittu meresthinappa

Gante odithini shanka oodthini
