Alakh niranjan
Jai santan di

Kahda putt viyaha main
Bharatlyrics.com
Palle dain pai gayi mere
Jiondi ne jaan kaddi
Marke vi firey banere

Kade manji khiche meri
Kadi light'an bandd kardi
Vadde vadde dandd jinnu vekh banda marje

Disno hatt di na jinna vi naam dhiya lo
Meri nooh bhootni bangi aa
Baba ji jaan bachalo
Meri nooh bhootni bangi aa
Baba ji jaan bachalo

Ho darr na bacha garad thaal du
Mantar parhke agg baal du
3100 di dhoof baal ke
Bhoot da kar ajj bura haal dau
Thoda nagad cash ik nava suit
Paake bottle vich baba lai ju bhoot

Oh khali-bali khali jag jagar dam
Dekhi nooh teri ajj karda soot
Oh dobare marjugi jadon main khich khich chimte maare

Tu darr na bhagataniye baba dukh torh dau saare
Tu darr na bhagataniye baba dukh torh dau saare

Oh behja bacha behja pareshani hall kara
Bhoot sahmane bitha ke ohde naal gall kara
Chare khunjeyan ch mekhan laavan maar ke mantar

Tang murhke na karu aisa pakka hall kara
Oh baalta main dhuan ik bottle mangaa

Khabbe hath naal tu samagri vi paa

Oh baabe da saroor thoda khirh lain de ni
Tere sahmane main dena ohnu puthi lamka

Jingalala jingalala hurr hurr

Buri aatma tu hoja gharon furr furr
Mintt das ku thehar ja ni vekhi laadu aon nazare

Tu darr na bhagataniye baba dukh torh dau saare

Yala iki yala iki halla hu
Ajj nahio bachna sasse tu
Fail ne sare tantar mantar
Baabe de dur fitte muh
