

Noor e khuda  
Hoo ohooohoo  
Noor e khuda

Ajnabi mod hai  
Kauf har aur hai  
Har nazar pe duan cha gaya  
Pal bhar mein jane kya kho gaya  
Hmmm aasmaaan sard hai  
Aahein bhi sard hai  
Kab se sayaa juda ho gaya

Hmmm pal bhar mein  
Jane kya kho gaya  
Saans ruk si gai  
Jism chhil sa gaya  
Tutte khawabon ke manjar pe  
Tera jahan chal diya

Noor e khuda noor e khuda  
Tu kahan chupa  
Hai hamein yeh bata  
Noor e khuda noor e khuda  
Yun na hamse nazarein phira

Noor e khuda noor e khuda  
Tu kahan chupa hai  
Tu hamein yeh bata  
Noor e khuda noor e khuda  
Yun na hamse nazarein phira  
Noor e khuda

Ho nararein karam farma hi de  
O deno dharam ko jaga hi de  
Ho chalti hui tanhaiyan  
Roothi hui parchaiyan  
Kaise udii yeh hawa  
Chaya yeh kaisa sama  
Rooh jam si gai  
Waqt tham sa gaya

Tutte khawabon ke manjar pe  
Tera jahan chal diya

Noor e khuda noor e khuda  
Tu kahan chupa  
Hai hamein yeh bata  
Noor e khuda noor e khuda  
Yun na hamse nazarein phira

Noor e khuda

Ga ma pa ni sa dha  
Aa aaa aa aa  
Kuch isi lamho ko aas teri  
Zamkhami dil ko hai pyaas teri  
Har dhadkan to talash teri  
Teri milta nahi hai pata  
Khali aakhein  
Khud se sawal karein  
Aman ki cheekh behaal karein

Noor e khuda noor e khuda  
Aaj kal tu kahan hai yeh bata  
Noor e khuda noor e khuda  
Aaj kal tu kahan hai yeh bata
