

Noor jahan tu kaha hai
Noor jahan tu kaha hai
Noor jahan tu kaha hai
Tu kaha hai tu kaha hai main yaha
Tu mera noor dil ka shurur
Hona na dur hona na door
Jale to jale jaha dekh dekh dekh
Noor jahan tu kaha hai
Tu kaha hai tu kaha hai main yaha
Tu mera noor dil ka shurur
Hona na dur hona na door
Jale to jale jaha ye ye ye

Gumcha dahan shisha badan
Hotho mein sagar chhupa
Lipti rahu tujhse yuhi
Dil to ye chahe mera
Gumcha dahan shisha badan
Hotho mein sagar chhupa
Lipti rahu tujhse yuhi
Dil to ye chahe mera
Noor jahan tu kaha hai
Tu kaha hai tu kaha hai main yaha
Tu mera noor dil ka shurur
Hona na dur hona na door
Jale to jale jaha ye ye ye

Surat teri dekhe se hi hota
Hai mujhko nasha
Tera badan agar chum lu
Kya hal hoga mera
Surat teri dekhe se hi hota
Hai mujhko nasha
Tera badan agar chum lu
Kya hal hoga mera
Noor jahan tu kaha hai
Tu kaha hai tu kaha hai main yaha
Tu mera noor dil ka shurur
Hona na dur hona na door
