

Zareee zarree mein usi ka noor hai  
Jhak khud mein woh na tujhse door hai

Ishq hai usse to sab se ishq kar  
Ishq hai usse  
To sab se ishq kar  
Is ibadat ka yehi dastoor hai

Is mein us mein aur us mein hai wohi  
Is mein us mein aur us mein hai wohi

Yaar mera har taraf bharpur hai.
