

Cool it down, cool it down  
Cool it down, cool it down  
Cool it down, cool it down  
Cool it down, cool it down  
Cool it down, cool it down

Cool it down, cool it down  
Cool it down, cool it down  
Cool it down, cool it down  
Cool it down, cool it down  
Cool it down, cool it down

Aaya badi door se karne main chill  
Kamar hili toh teri  
Gaya main bhi hil  
Har ik move tera karta hai kill  
Aur in the process tu le gayi mera dil  
Pyar dikhade baby don't beat me

Dil hai saaf mera  
Banda main hoon clean  
Tere saath mere friends  
Mere saath, mera crew  
Mil ke bana lete hai scene  
I like the way you move it

BHARAT

Aag lagade baby tu hai damn hot  
Ladki nahi hai baby tu hai jackpot  
Maana hoon deewana tera  
Par tere peeche aaon na  
Aisa ladka i am not

Ho gaya sab kuch out of control  
Chup na reh baby kuch toh bol  
Choose kiya hai tujhe swag anusar  
Cruise karenge baby in my car  
Baby we be cruising

Dekh ke tujhko sabar main apna loosing  
Haan karke baby door karo yeh confusion  
Bas kar baby ab jaan hi legi kya

Cool it down, cool it down girl
