Tadaraathni yanade  
Ee preethi male joru  
Nenapalle nenede

Hithavaada entha ee himse  
Taanaage tandukonde naa  
Irabahude polli nanna manasu  
Ninninda kandukonde naa

Saradi baditha edeya beedali  
Kanasu kaditha khareedi aagali

Ninna naguve adbhutha shaayari  
Neene nanna badukina vaikhari

Naaneega naanalla nee banda ghalige  
Ee jagave jagavalla neenirade balige.
