

Nuvvu Navvukuntu Song Lyrics

Nuvvu navvukuntu velli pomakey
Aa gundamemo gilli pomakey
Chinni chinni kalle andham
Mudhu mudhu matalu andham

Bujji bujji bugala meruppee antho andhame
Mukku mida kopam andham
Muthi muduchukunte andham
Jumkalu ala vugutu unte enka andhame

Nee pichi pattindile
Adi nee vaipe nettindi le

Emaina bagundi le
Nuvvu opukunte
Jarupukunta jatarale

Nuvvu tallukuntu vellipomakey
Aa gundamemo gilli pomakey
Nuvvu tappukuntu vellipomakey
Pillaaa ninnu hattukuntu undipotane

Ee tirige tirugulu gudi chuttu tirigite
Digi vachi devatee varam esta antadee

Nuvvukoncham karigithe
Prapancham munaagadhe
Ee pantham vadilithe
Yugaantham raadu le

Nuvvu navvukuntu velli pomakey
Aa gundamemo gilli pomakey
Nuvvu tippukuntu velipomakey
Pillaaa ninnu tittukuntu undipotane

Avunante avunanu kaadante kadanu
Nadi madya oogithe nenetta saavanu
Nee laage andaru visigisthe ammadu
Maga vadevadu premante nammadu

Nuvvu navvukuntu velli pomakey
Aa gundamemo gilli pomakey
Chussi chudanattu velipomakey
Pillaaa koncham kasurukuntu undimokamey
