

O ajnabi mere ajnabi na  
Jane aaye tum kahan se  
Itna pyara laye tum kahan se  
Yeh rat bhi hai saji saji  
O ajnabi mere ajnabi

Dilwale dekho phir mile hai mile hai  
Jane kahan ham chale hai chale hai  
Najaro se najre mili hai  
Hoto se hot sile hai  
Ek aag si hai dabi dabi  
O ajnabi mere ajnabi

Pyar ka mausam aata  
Hai aata hai ek bar  
Dil diya jata hai ek bar ek bar  
Jawan jawan dil ki  
Dhadkan me koi samata hai  
Koi samata hai ek bar ek bar  
O mujhe kya hua mai udne laga  
O ajnabi mere ajnabi

Ajnabi teri dil churane aaya hai  
Ajnabi ninde udane aaya hai  
Lutane wala chain kahan payega  
Lutane wala khud lut ke jayega  
Hain jayega kahan jiyega  
Yahan marega yahan
