

O chanda re door na ja re  
Tu sundar hai duniya se pyara hai tu  
Gham chor sada mann ko churata hai tu  
O chanda re

Chanadiya raat ho aur balam saath ho  
Chanadiya raat ho aur balam saath ho  
Kyu chupke dekh raha chandrama  
Ja door kahi chip ke aur chandra  
Aao o chanda re door na ja re  
Tu sundar hai duniya se pyara hai  
Gham chor sada mann ko churata hai tu  
O chanda re

Chitvan ki dor se rash ki hilor se  
Chitvan ki dor se rash ki hilor se  
Dhole uthe mann ke sawapan chandrama  
Koi tujhko mila chandrama  
Aao o chanda re door na ja re  
Tu sundar hai duniya se pyara hai  
Gham chor sada mann ko churata hai tu  
O chanda re

Raat rang ko bhala  
Phool phool ko na chhu  
Dekh vaha jag uthi chandani  
Aa hil mil ke geet gaye chandrama  
Dekh vaha jag uthi chandani  
Aa hil mil ke geet gaye chandrama  
O chanda re.
