

O Flower Song Lyrics

O floweru thechi naa loverukicha
Aa colouru nachi
O chinna smile ichche

Aa kanti chooputhoti
Ee chiruna vuthone
Na heartuloki vachchindhey

One side loovu naadhi
Oppukove adigindhista
Manase empty gundi entry icheyavaa

Selfi naaku ishte
Kulfi ice istha
Lipstic gift isthe muddhe isthavaa

Arere emi cheste
Mechukuntaav chinnadhaanaa
Cheppava chinna idea

Arere endhukilaa
Heartulone allaraa ye
