

O manachali kahaan chali
O manachali kahaan chali
Dekh dek dek dek dek
Mujh se na sharamaa
Ek ek ek mai hun bhavaraa
Ho aur tu kali o manachali

O manachali kahaan chali
O manachali kahaan chali
Dekh dek dek dek dek

Mujh se na sharamaa
Ek ek ek mai hun bhavaraa
Hmm aur tu kali o manachali
O manachali kahaan chali
O manachali kahaan chali

Hotho pe leke teraa naam
Aai hai rang bhari shaam
Phulo ke chhalake hai jaam
Bhavaro ne dil liye thaam
Aise me he he ho e he ho
Aise me tod ke prem ki dori
Chakori o gori tu kahaan chali
O manachali kahaan chali
O manachali kahaan chali

Duniyaa se nahi darege
Ham tum mulaaqaate karege
Aajaa do baate karege
Chup ke mulakate karenge
Ye sach hai e he o o e he o o
Ye sach hai mai hun ek divaanaa
Ye mana na maanaa tu kahaan chali
O manachali kahaan chali
O manachali kahaan chali

Rut aisi aai hui hai
Badali bhi chhaai hui hai
Tu kyo ghabaraai hui hai

Mujhase sharamaai hui hai
Pyaar me e he o o e he o o
Pyaar me yaar se aankh churaake
Satake jalaake tu kahaan chali

O manachali kahaan chali
O manachali kahaan chali
Dekh dekh dekh dekh
Mujh se na sharamaa
Ek ek ek mai hun bhavaraa
Ho aur tu kali o manachali
O manachali kahaan chali
O manachali kahaan chali.
