Mujhko mila ke us se karna na judaa  
O mere khuda khuda o mere khuda khuda  
O mere khuda khuda o mere khuda khuda

Majboorio ko sab jaanta hain tu  
Mere pyaar ko rabb pehchaanta hai tu  
Majboorio ko sab jaanta hain tu  
Mere pyaar ko rabb pehchaanta hai tu  
Mere kareeb aa ke mere naseeb laake  
Mere kareeb aa ke mere naseeb laake  
Mujh se na mera tu pyaar chura  
O mere khuda khuda o mere khuda khuda  
O mere khuda khuda o mere khuda khuda  
O mere khuda khuda o mere khuda khuda  
O mere khuda khuda o mere khuda khuda

Khwahish bhi tu hain guzarish bhi tu hai  
Meri mohabbat ki baarish bhi tu hain  
Khwahish bhi tu hain guzarish bhi tu hai  
Meri mohabbat ki baarish bhi tu hain  
Mujhko lage hain har pal pyar mein tere paagal  
Mujhko lage hain har pal pyar mein tere paagal  
Main toh kasam se jaana hone laga  
O mere khuda khuda o mere khuda khuda  
O mere khuda khuda o mere khuda khuda  
O mere khuda khuda o mere khuda khuda  
O mere khuda khuda o mere khuda khuda

Khwabo khayaalo mein woh aane laga hain  
Meri dhadkano ko woh badhane laga hain  
Khwabo khayaalo mein woh aane laga hain  
Meri dhadkano ko woh badhane laga hain  
Khwabo mein aata hain woh dil dhadkata hain woh  
Khwabo mein aata hain woh dil dhadkata hain woh

Ban gaya hain woh to mere jeene ki wajaah  
O mere khuda khuda o mere khuda khuda  
O mere khuda khuda o mere khuda khuda  
O mere khuda khuda o mere khuda khuda  
O mere khuda khuda o mere khuda khuda.
