

Aakhon main dard hai dil main tanhayi hai  
Apni koi chiz thi jo hui ab vo parayi hai  
Aakhon main dard hai dil main tanhayi hai  
Apni koi chiz thi jo hui ab vo parayi hai  
Kismet mai hai jo dararen  
Tujhe puche ye bata  
Kya ishq mai sabko aesi milti hai saza

Hoo mere khuda kya maine bura kiya  
Hoo mere khuda kyu mujhko rula diya  
Rula diya..

Dil jara jara seene mai tooth ta  
Jab koi is tarha rahon mai rooth ta  
Dil jara jara seene mai tooth ta  
Jab koi is tarha rahon mai rooth ta  
Bas ek ussi modh pe  
Jata hai chhod ke  
Jahan hone lage puri dua

Hoo mere khuda kya maine bura kiya  
Hoo mere khuda kyu mujhko rula diya  
Rula diya..

Hmmm.....voo..hoo vooo.hoo.ho..  
Kya mila tujhe dil ye todh ke  
Be wajha mera sath chhod ke

Hmmm.....voo..hoo vooo.hoo.ho..  
Kya mila tujhe dil ye todh ke  
Be wajha mera sath chhod ke  
Itna mujhe tu bata, kyu ho gayi bewafa  
Kyu tune mujhe dhoka diya

Hoo mere khuda kya maine bura kiya  
Hoo mere khuda kyu mujhko rula diya  
Rula diya..

Aakhon mai dard hai dil main tanhayi hai  
Apni koi chiz thi jo hui ab vo parayi hai  
Kismet mai hai jo dararen

Tujhe puche ye bata  
Kya ishq mai sabko aesi milti hai saza

Hoo mere khuda kya maine bura kiya  
Hoo mere khuda kyu mujhko rula diya  
Rula diya...
