

O jaana na jaana tu
Door hum se kabhi
Sun toh chali gayi
Mar jaayenge hum abhi

Tujhse shuru tujh pe khatm
Tujhse muqammal hain hum

Tere bina aadhe bhi kya
Tere bina adhoore kya
Tu hi bata o meri jaan
Tere bina hain poore kya
Tere bina jaana kahaan

Haan haa tere bina jeena kya
Tere bina marna kya
Tere bina jana kahaan
O meri jaan

Ab ke na ja
O meri jaan

O jaana na jaana tu
Door hum se kabhi

Koshishen ki badi
Khud se mita den tumhein sanam
Par hai dil ka
Ke khud hi mit gaye hain hum

Tumse mite tumse bane
Tumse muqammal hain hum

Tere bina aadhe bhi kya
Tere bina adhoore kya
Tu hi bata o meri jaan
Tere bina hain poore kya
Tere bina jaana kahaan
O meri jaan

Ab ke na ja

Door hum se kabhi

Jee rahe the tera gham-e-dil
Chhupa ke hum sanam
Ab hai shor har taraf
Haan ishq karte hain hum

Tab ishq tha ab ishq hai
Karte rahenge sada tumse hi

Tere bina aadhe bhi kya
Tere bina adhoore kya
Tu hi bata o meri jaan
Tere bina hain poore kya
Tere bina jaana kahaan

O meri jaan
Ab ke na ja
O meri jaan
Ab ke na ja
O meri jaan.
