

O my love oh my darling  
Why my heart misses a beat  
When i see you am i in love  
Am i in love o my love  
Oh my darling why my heart  
Misses a beat when i see you  
Am i in love am i in love

Ban chala mausam kya nazare hai  
In baharo ke kya ishare hai  
Kuch ujhale hai kuch andhere hai

Teri aankho mein khwab mere hai  
O my love oh my darling  
Why my heart misses a beat  
When i see you am i in love  
Am i in love

Bekhayali mein kho gaye dono  
Kyu deewane se ho gaye dono  
Dil ke saagar mein dub jane de  
Ye nasha thoda aur chhane de  
O my love oh my darling  
Why my heart misses a beat  
When i see you am i in love  
Am i in love o my love  
Oh my darling why my heart  
Misses a beat when i see you  
Am i in love you are in love  
Am i in love you are in love  
We are in love we are in love.
