

O pardanashi pardo ko zara  
Chehre se hata to baat bane  
O pardanashi pardo ko zara  
Chehre se hata to baat bane  
Badal mein chhupi ek bijli si  
Duniya ko jala to baat bane  
O pardanashi pardo ko zara  
Chehre se hata to baat bane  
O pardanashi

Ho husn adal ke deewane  
Badnam na kar badnam na ho  
Badnam na kar badnam na ho  
Jo hasar hua parwane ka  
Tera bhi wahi anjaam na ho  
Tera bhi wahi anjaam na ho  
Sholo ko laga kar seene se  
Sholo ko haye  
Sholo ko laga kar seene se  
Daman ko bacha to baat bane  
O pardanashi pardo ko zara  
Chehre se hata to baat bane  
O pardanashi

Ho dekhi jo bas teri ek jhalak  
Hum dil ka sury jala baithe  
Hum dil ka sury jala baithe  
Gash kha ke gire to uth na sake  
Kuch aise hosh gawa baithe  
Kuch aise hosh gawa baithe  
Mil jaaye agar kismat se tere  
Mil jaaye agar haye  
Mil jaaye agar kismat se tere  
Daman ki haya to baat bane  
O pardanashi pardo ko zara  
Chehre se hata to baat bane  
O pardanashi

Ho deewane husn ke daman  
Kuch phul bhi hai kuch khar bhi hai

Kuch phul bhi hai kuch khar bhi hai  
O pardanashi pardo ko zara  
Chehre se hata to baat bane  
O pardanashi

Pal bhar ke liye gulshan mein agar  
Tu khol ke zulfen aa jaaye  
Pal bhar ke liye gulshan mein agar  
Tu khol ke zulfen aa jaaye  
Aa jaaye

Sawan ki ghata sharma jaaye  
Duniya pe andhera chha jaaye  
Sawan ki ghata sharma jaaye  
Duniya pe andhera chha jaaye  
Ban jaaye qayamat ka naksha  
Ban jaaye qayamat  
Qayamat qayamat  
Qayamat ka naksha  
Ban jaaye kayamat ka naksha  
Yeh naksha bana to baat bane  
Yeh naksha bana to baat bane  
Yeh naksha bana to baat bane  
Yeh naksha bana to baat bane.
