

O pardesi, o pardesi
Mitha sa chadha hai bukhaar
Re re main thwaada pardesi
O pardesi, o pardesi,
Gaanv ki karo beda paar
Re re main thwada pardesi

Waqt ne kar daala banta,
Ab kya hoyega ki a gaye yaar
Namm baawari baawari kuchh sa lage
Kabi ituk dole, kabhi utt bhaage
O pardesi o pardesi,
Naino mein sapano hajaar
Re re main thwada pardesi

Laage mitha mitha chadaya bukhaar
Ishq mushkil na chhupe baawade yaar
Dil ki takhti pe naam likha tera gehara
Kaatil aankhon pe julfon ka saje hai

Huwa pardesi huwa
Pardesi mitha sa chadha hai bukhaar
Re re main thwada pardesi
O pardesi, o pardesi,
Gaanv ki karo beda paar
Re re main thwada pardesi
Re re main thwada pardesi.
