

Ho main rab da sukar guzar hu
Jo mila hai tera pyar
Ek tamanna or hai baki
Aa tu karle ikarar
Ni tu pyar karke
Ni tu pyar karke
Chali jaye jo bichad ke
Bol roya karegi mujhe yad karke
Bol roya karegi mujhe yad karke
Rab na kare tab na kare
Na kare na kare

Kisi or ka
Kisi or ka hath pakad ke
Chala jaye jo ghodi chadke
Bol roya karega mujhe yad karke
Rab na kare rab na kare
Na kare na kare oye na kare

Dard mera aawaz lagaye
Or tu bol sake na
Or tu bol sake na
Hotho pe mera nam jo aaye
Hoth tu khol sake na
Hoth tu khol sake na
Phir hath kaleje dhar ke
Chali jaye to doli chadke
Bol roya karegi mujhe yad karke

Rab na kare tab na kare
Na kare na kare

Kabhi teri nindiya ud jaye
Sapno ki jyot bujha ke
Sapno ki jyot bujha ke
Aankh teri lagne na paye
Aur se aankh laga ke
Aur se aankh laga ke
Phir is dunia se darke
Aankho se aasu bharke

Bol roya karega mujhe yad karke

Rab na kare rab na kare

Na kare na kare na kare

Ni tu pyar karke chali jaye jo bichad ke

Bol roya karega mujhe yad karke

Rab na kare rab na kare

Na kare na kare oye na kare.
