

Jaag uthe hain raaste
O raahi tere waaste
Teri zindagi tujhse har ghadi
Aur har kadam hai ye poochhti
Raahi dekh raha hai tu kya
Har har disha hai rasta
Bol tera hai kaun sa rasta
Raahi re o raahi re kisi ko nahi hai pata
Raahi re o raahi re kaha ja raha hai bata

Ek rasta kaanto ka hai
Ek rasta phool ka
Tujhpe hai kaun se tu raste ko chune
Ek rasta hai soch ka ek rasta bhool ka
Tujhpe hai tera dil ab kya kahe kya sune
Hoga tera hi ye faisla
Hai sochna ya bhoolna
Bol tera hai kaun sa rasta
Raahi re o raahi re kisi ko nahi hai pata
O raahi re o raahi re kaha ja raha hai bata

Aasaaniyaa mil sakti hain tujhko zamaane se
Par zara ye bata jeena hai kyun yun tujhe
Aazaadiyaa tu paayega khud ko hi paane se
Phir bata koi dar mehsoos ho kyun tujhe
Hoga tera hi ye faisala aasaaniyaa aazaadiyaa

Bol tera hai kaun sa rasta
Raahi re o raahi re kisi ko nahi hai pata
Raahi re o raahi re kaha ja raha hai bata
Raahi re o raahi re kisi ko nahi hai pata
Raahi re o raahi re kaha ja raha hai bata
