

O ri duniya o ri duniya
Aye duniya
Aye surmayee aankhein ke pyaalo ki duniya
O duniya
Surmayee aankhein ke pyaalo ki duniya
O duniya
Satrangi rango gulalo ki duniya o duniya
Satrangi rango gulalo ki duniya o duniya

Alsaayi sejo ke phoolon ki duniya
O duniya re
Angdaayi tode kabootar ki duniya
O duniya re
Aye karwat le soyi haqeeqat ki duniya
O duniya
Deewani hoti tabiyat ki duniya
O duniya

Khwahish mein lipti zaroorat ki duniya
O duniya re
Hey insaan ke sapno ki niyat ki duniya
O duniya
O ri duniya
O ri duniya
O ri duniya
O ri duniya
Yeh duniya agar mil bhi jaaye to kya hai
Yeh duniya agar mil bhi jaaye to kya hai
Yeh duniya agar mil bhi jaaye to kya hai

Mamta ki bikhri kahani ki duniya
O duniya
Behno ki siski jawani ki duniya
O duniya
Adam ke hawaas rishte ki duniya
O duniya re

Gaalib ke maumin ke khawabo ki duniya
Majazo ke un inqalabo ki duniya
Gaalib ke maumin ke khawabo ki duniya
Majazo ke un inqalabo ki duniya
Faize firako sahir umakhdum
Meel ki zoku kitabo ki duniya

Yeh duniya agar mil bhi jaaye to kya hai
Yeh duniya agar mil bhi jaaye to kya hai
Yeh duniya agar mil bhi jaaye to kya hai

Palchin mein baaten chali jaati hai hai
Palchin mein baaten chali jaati hai hai

Reh jaata hai jo sawera wo dhoondhe
Jalta makaan mein basera wo dhoondhe

Jaisi bachi hai waisi ki waisi,
Bacha lo yeh duniya
Apna samajh ke apno ki
Jaisi utha lo yeh duniya

Chitput si baaton mein jalne lagegi,
Sambhalo yeh duniya
Katpit ke raaton mein palne lagegi,
Sambhalo yeh duniya

O ri duniya
O ri duniya
Wo kahen hai ki duniya
Yeh itni nahi hai sitaaro se
Aage jahan aur bhi hai

Yeh hum hi nahi hai
Wahan aur bhi hai
Hamari hare k baat hoti wahin hai
Hume aitraaz nahi hai kahin bhi
Wo aayi zamil pe sahi hai

Magar falsafa yeh bigad jaata hai jo
Wo kehte hai aalim

Yeh kehta wahan ishwar hai
Faazil yeh kehta wahan allah hai
Kabur yeh kehta wahan issa hai
Manzil yeh kehti tab insaan se ki
Tumhari hai tum hi sambhalo yeh duniya
Yeh ujde hue chand baasi charago
Tumhare yeh kale iraado ki duniya
O ri duniya o ri duniya
O ri duniya.
