

O sathiya re tere mere tere nain mile
Adhi raat sataye jiya sari raat jale
Raat jale re raat jale
O sathiya re tere mere tere nain mile
Adhi raat sataye jiya sari raat jale
Raat jale re raat jale

Raate hai usi ki ye ninde usi ki
Teri julfe jin nishano se paresan
Sapne wahi tu jin sapno me aake
Hale dil kar jaye baya
Jina akele kyu ho gawara

Mujhe nind na aaye adhi raat sataye
O sathiya re tere mere tere nain mile
Adhi raat sataye jiya sari raat jale
Raat jale re raat jale
O sathiya re

Jindagi hai jame ishq
Aao sang sang piye or jhum jaye yaha
Aise mil jaye ek duje me shamaye
Bhul jaye ye dono jaha
Saat janam se mai hu tumhari
Mujhe nind na aaye
Adhi raat sataye jiya sari raat jale
Raat jale re raat jale
O sathiya re tere mere tere nain mile
Adhi raat sataye jiya sari raat jale
Raat jale re raat jale

O sathiya re tere mere tere nain mile
Adhi raat sataye jiya sari raat jale
Raat jale re raat jale
O sathiya re o sathiya re.
