

Meri adhoori kahaani
Lo daastan bann gayi
Ho tune chhuaa aaj aise
Main kya se kya bann gayi

Sehme hue sapne mere
Haule haule angdaiyaan le rahe
Thehre hue lamhe mere
Nayi nayi gehraiyaan le rahe
Zindagi ne pehni hai
Muskaan karne lagi hai
Itna karam kyun na jaane
Karvat lene lage
Hain armaan phir bhi
Hai aankh num kyun
Naa jaane o saiyyan

Odhu teri kaaya
Solah singaar main saja loon
Sangam ki yeh raina iss
Mein tyohaar main mana loon
Khushboo teri choo
Ke kastoori ho jaaun
Kitni pheeki thi
Main sindoori ho jaaun

Sur se zara behki hui meri
Duniya thi badi besuri
Sur mein tere dhalne lagi
Bani re piya main bani baansuri
Zindagi ne pehni hai
Muskaan karne lagi hai
Itna karam kyun na jaane
Karvat lene lage
Hai armaan phir bhi
Hai aankh num kyun
Naa jaane o saiyyan

Mere aasmaan se jo
Hamesha gumshuda thay
